MONTESSORI
— HARTLEY HOUSE —

This half term:

Monday 23rd October

Messy Play Day! A day of craft is to be had by all, bring your children to the holiday club in old clothes, as we do not plan on staying very clean today! The children will be taking part in some very messy activities including gloop, water, paint and shaving foam. Through messy play the children can develop concentration, problem solving and planning.

Tuesday 24th October

Junk Modelling! Today we will spend the day creating Junk Models. It is a great way to explore how things go together. Developing spacial awareness and structural skills. The children will be using materials from the classroom along with anything they want to bring in.

Wednesday 25th October

Bake off! This morning we will be making delicious cupcakes. In the afternoon the children will be able to decorate the cupcakes with a design of their choice. The children will be able to bring the cakes home for parents to sample their baking skills.

Thursday 26th October

Bowling and Face Painting

Today we will be going ten pin bowling in Eastleigh, this a great trip and gives the children chance to show off their bowling skills and aim for a strike. This is a popular trip, which fills up quickly so book now to avoid disappointment. There is a £5 supplement for this trip. In the afternoon we will come back to the Lido to do some face painting and lots of fun games.

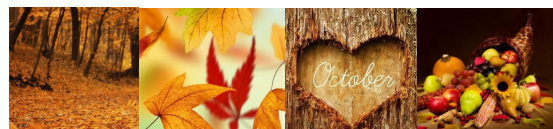

Friday 27th October

Den building and indoor cinema!

In the morning we will be building Dens with various materials from the classroom and the garden. Building Dens is one of childhood's great joys. It is not only fun but it is a great opportunity for role play, creativity and physical development.

In the afternoon, we will be making popcorn and setting up the den's to create an indoor cinema, the children will be able to sit down, relax and enjoy a film at the end of a very busy week!
