Monday 28th October

All about me day!

Today we will spend the day learning about our bodies. This will involve creating self portraits and investigating our finger prints. This will then lead onto our afternoon activities based around our senses. This will include participating in a variety of taste, sound and visual activities. This is a great way to get children familiar with their sense of self.

Tuesday 29th October

Sweet treats and all things tasty!

Today we will be embarking on a sweet tooth adventure! This will involve baking Halloween themed cookies and chocolate covered apples. We will also use the theme of cooking in our other areas of learning such as, fruit and vegetable printing as well as, pizza puzzles.

Wednesday 30th October

Trip day!

Today we will be visiting SafeWise. This is an activity centre that has a variety of hands on activities that offer the learning of practical "life skills". This activity will have the children doing lots of role play and helping each other work out different scenarios. **This Trip is an extra £10.**

Thursday 31st October

All things Halloween!

Today your child will need to be in full Halloween spirits! This will involve coming to holiday club **dressed up in Halloween costumes.** Our Halloween day will be full of fun Halloween inspired games such as apple bobbing and 'put the nose on the witch.'

Friday 1st November

All about caring for animals!

Today we are learning all about our furry, slimy and creep crawly friends! For today's activities please **bring a shoe box** ready to build animal habitats. Also, today will consist of water play to demonstrate how we clean our animals, dog origami and animal masks. This is a great way of learning how to care for our animals.

You must return your form before we reserve your space.
